

Tiaki Promise

Tiaki means to care for people and place. The Tiaki Promise is a commitment to care for New Zealand, for now and for future generations. It is important to protect and preserve New Zealand by everyone who lives and travels in this country.

The Tiaki Promise:

- *Care for land, sea and nature, treading lightly and leaving no trace*
- *Travel safely, showing care and consideration for all*
- *Respect culture, travelling with an open heart and mind*

We, TIME Unlimited Tours, are following the Tiaki Promise to take care of our country. We are delighted to welcome you and will look after you during our tour. We will drive you around safely in our Mercedes Benz vehicles, which leave a small carbon footprint.

To protect the environment, we are dedicated to ensuring that none of our valued guests are leaving any rubbish behind when we go out on any of our tours and where possible, we have selected our products due to the recyclable packaging and the minimal amount of waste it produces.

Furthermore, to protect our nature we will have to clean our shoes to go on certain tracks. This to protect our Kauri Tree and avoid spreading the Kauri Die Back Disease.

To even make it official, we are holding a Qualmark Gold Sustainable Award which means that our company have met and exceeded a set of benchmark criteria and actions. We are one of the most environmentally-responsible tourism businesses in New Zealand.

We are looking forward to host you and show our beautiful country. We are hoping you will follow the Tiaki Promise during your travels and make it a safe and wonderful journey.
