Experience the famous Waitakere Ranges on Auckland's West Coast on a small group tour with TIME Unlimited Tours, winner of multiple global awards. Keep away from the masses and enjoy a multi award-winning tour in a small group

Tour Code: AKLWPM

Be amazed by Auckland's famous West Coast with its subtropical rainforest, soaring cliffs, roaring surf and stunning black sand beaches. Walk along the deserted shore, with the sound of the sea in your ears, the wind in your hair and the salt spray on your face.

Keep away from the masses and try our multi award-winning tours in small groups. After pickup we drive to the West, leaving behind beautiful Auckland city through Titirangi, which translates to 'Fringe of Heaven' in the local Maori language.

We then enter the beautiful native forest that is the Waitakere Ranges, made famous by many movies that have been filmed here. As we drive through lush rainforest, many of our guests comment on how dense, varied and unlike anything they have ever seen before this forest is.

We reach the Arataki Visitor Centre, which helps explain more about this special place. There are several interesting exhibits on display and views across the Waitakere Ranges and towards the Manukau Harbour. We then continue on towards the West Coast and reach one of our beautiful black sand beaches, where we guide you personally to the glorious, roaring surf that constantly pounds this breath-taking place. We give you enough time to experience this beautiful place and ensure you have a good understanding of its significance.

We always keep a watchful eye out for the flora and fauna that live here and we will point these out to you. Many native plants were used extensively by Maori and we explain which ones were the most useful. Maori still use these plants for medicinal purposes today. Return to Auckland City having spent time in a truly magical part of New Zealand.
