Day 1: Auckland to Waitomo Caves

Start your tour with us in Auckland where in the morning we pick you up in one of our beautiful Mercedes luxury vehicles at your hotel, Auckland airport, Auckland cruise terminal or from your preferred location.

On the 2 ½ hour drive south, we follow the mighty Waikato River through the rich, rolling farmland of the Waikato region and the King Country. We pass through a string of small, historic river towns, including Ngaruawahia, site of the famous Turangawaewae Marae (traditional Maori meeting place) and seat of Aotearoa's (New Zealand's) Maori King. We also pass by the impressive volcano Mount Pirongia along the way.

Waitomo Caves is an amazing natural wonderland which offers a vast range of unique sights and experiences. As part of your Private Auckland to Waitomo, Taupo, Rotorua and Bay of Plenty 5 Day Tour, you can also choose to see a Kiwi, our national bird and emblem, as well as many of our native flora and fauna at the Otorohanga Kiwi House.

At the Waitomo Glowworm Caves, you have a choice of several amazing options to marvel at an extraordinary Glowworm cave in total darkness. Each tour option brings you close to the beautiful Glowworms in Waitomo.

Accommodation in the Waitomo region.

Day 2: Waitomo to Tongariro National Park

After a short drive to Piopio just south of Waitomo Caves, you have the option to visit the "Hairy Feet" Scenic Film location, where a substantial portion of "The Hobbit: an Unexpected Journey" was filmed. You can simulate movie scenes, step in Gandalf's footprints and even hold a replica of Bilbo's sword! On the tour you will also see towering limestone cliffs, massive rock formations and a primeval forest on the farm that was chosen as the location for Staddle Farm and Trollshaw Forest from "The Hobbit: an Unexpected Journey".

We then set off for the Central Volcanic Plateau of New Zealand's North Island with the huge volcanic caldera Lake Taupo, New Zealand's largest lake, as its centrepiece. You can visit the amazing Tongariro National Park, where a substantial portion of "The Lord of the Rings" was filmed. When we arrive in Taupo, you can just relax or have a range of activity options in the evening, including some very nice restaurants. You can also have a swim in Taupo's thermal pools and/or enjoy a wonderful spa experience. Activities this afternoon depend on your preferences and whether you have chosen to stay the night in Tongariro NP or Taupo.

Day 3: Taupo to Rotorua

In Taupo you can browse in the town's mix of local craft and fashion shops, or relax and swim along its beautiful lakefront. For this morning, we can either book from a range of additional tour options for you, or we can show you around this stunning area as part of our tour. Additional activities are:

- A scenic cruise on beautiful lake Taupo to Maori rock carvings.

- Trout fishing - Fly Fishing or from a boat - in various locations in or around Lake Taupo, which is reputed to be one of the world's best Trout fishing spots.
- Jet boating along the Waikato River and right up to Huka Falls, one of New Zealand's most famous attractions.
- An afternoon of golf at the fabulous Wairakei Golf Course, voted one of the world's finest 100 golf courses.

On the way to Rotorua, we stop at a viewpoint for a spectacular view of Huka Falls on the mighty Waikato River. We can also show you the impressive Aratiatia Rapids, an amazing spectacle when a lock in the Waikato River is lifted and the river is allowed to roar through at amazing force and speed a few times per day. The Aratiatia Rapids were used for an extensive scene in Peter Jackson's movie trilogy "The Hobbit".

We continue north towards Rotorua, the region which is home to several of New Zealand's most impressive thermal areas. We suggest visiting at least one of Wai-o-Tapu, Orakei Korako or Waimangu Volcanic Valley, where you can experience the full might and majesty of this unique and spectacular volcanic landscape for which Rotorua and Taupo are world-renowned.

We continue on to Rotorua itself, where we catch our first glimpses of the shimmering blue lake with bush-clad Mokoia Island at its centre.

After settling into your accommodation, in the evening we recommend a Maori cultural experience in Rotorua. Here you can enjoy a traditional Kai (Maori food) cooked in a Hangi (earth oven) and enjoy a performance of song and dance in a traditional Maori village setting, including the Haka, the Maori war dance made famous by our national Rugby Team, the "All Blacks". Alternatively, you can just relax, or have the opportunity to explore more of Rotorua on foot at your leisure.

Accommodation in Rotorua.

- The Agrodome, where you can experience all the magic of New Zealand farming, with a fascinating range of agricultural shows and displays.

After an exciting morning in Rotorua, we drive to the Eastern Bay of Plenty region in the afternoon and give you enough time to relax in or around the Whakatane/Ohope Beach area.
